SUPPLEMENTAL AMENDMENT

Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

This document supplements the response recently filed in the Patent Office on June 21, 2000, and is in further response to the December 22, 1999, Office Action.

This Supplemental Amendment is being submitted for two reasons, first to correct a misspelling of a citation, and second and to complete the italicization of the names of bacterial species. It is requested that this Amendment be considered with the Amendment filed on June 21, 2000.
